Signature Experiences

An exceptional touring program designed exclusively for guests, is included in the luxury wilderness experience at Longitude 131°. Experiences are provided on an intimate shared basis with fellow guests at scheduled times. Experience times are seasonal and subject to sunrise and sunset times which vary throughout the year, weather permitting. Touring rotates on a daily basis in order for you to enjoy the full range of experiences on offer depending on the time and day you arrive. If you would prefer to have your own private guide for these experiences we can arrange this for you (additional costs apply, see below) and is subject to availability.

DAY 1 (depending on your arrival)

Kata Tjuta & Walpa Gorge Tour – Depart the Dune House prior to sunrise, bound for Kata Tjuta. Upon arrival begin your journey with a guided tour of Walpa Gorge, where the natural history of Kata Tjuta is explained in great detail, learning how eons of weathering and continental upheaval have created what is seen today.

Uluru Sunset – This evening you will depart an hour before sunset, bound for the twilight viewing area where you can take in the sunset over Uluru with a glass in hand.

Table 131°, Dining Under the Stars – As darkness falls be transferred to our outdoor dining venue, for an unforgettable dinner experience under the stars. (Subject to weather conditions)

DAY 2 (depending on your arrival)

Uluru Sunrise & Cultural Centre – Depart the Dune House before dawn, bound for the secluded sunrise viewing area. After marvelling at the colour changes on Uluru as the sun ascends, the journey continues to the sacred site of Kuniya Piti and on to the Mutitjulu Waterhole. Along this walk our guides share the Anangu creation story of Kuniya and Liru. After a short walk to the Cultural Centre, learn the spiritual and cultural meanings of Uluru and Kata Tjuta and enjoy a light breakfast.

Mala Walk & Kantju Gorge – Depart the Dune House before sunset for a short walk known as the 'Mala Walk' heading towards Uluru, then into Kantju Gorge. Once 'inside' Uluru, enjoy evening drinks and canapés while watching the sunset. Return to Longitude 131° after viewing the brilliant sunset.

Dune House Dinner – Dine this evening in the intimate ambience of the Dune House.

DAY 3

Enjoy the scheduled morning tour prior to departure. For guests staying our recommended third night and wishing to fully immerse in the outback, another amazing adventure for consideration is the Uluru basewalk. Escape the crowds and take a meandering circumnavigation around the base of Uluru through acacia woodlands and grassed claypans discovering the diverse plants, animals and geological features found around this giant monolith. In the afternoon, consider taking in the Red Centre on a sunset helicopter ride or wander toward the golden horizon onboard a camel, renowned as the 'ship of the desert', then return to Longitude 131° and drink in the lingering evening views over cocktails before dining in the Dune House. Private dining is also available on the Dune Top or poolside. An additional charge of \$250 per couple applies for these services. This charge may vary depending on logistics and requirements. Private dining can be booked prior to arrival or during your stay at Longitude 131°. (Outdoor dining is subject to weather and outdoor conditions permitting).

Optional Experiences (Extra Charges Apply)

An additional menu of Uluru-Kata Tjuta National Park experiences offers the chance to tailor a special interest itinerary. Feel freedom and exhilaration whilst touring on the back of a Harley Davidson motorcycle around the base of Uluru and absorb the wonder of Central Australia.
